M-4 collection stamp

SIMPLE TO USE-Select phrase and corresponding number on dial-turn selector key to number and desired phrase is automatically in stamping position.

\$9.95

Type shown actual size

**WE MISSED YOUR PAYMENT
FOR LAST MONTH ?
WO N'T YOU SEND IT—NOW**

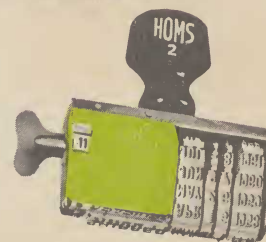

TWELVE carefully selected, specially designed phrases...friendly but pointed messages to prompt your customers to pay their bills **fast**...keep your bad debts **down** and your bank balance **up**!

ECONOMICAL! Eliminates the expense and bother of paper stickers, since it is a one-time purchase. Unlike stickers, it is impossible to run out of phrases, therefore eliminating the necessity of reordering.

EFFICIENT! In addition to stamping customer's invoice or statement, the office copy or ledger can be stamped or numbered to quickly determine next phrase to use if further collection efforts are required.

M-2 dial-a-phrase dater

Phrases...dates...dial selector...all in one revolutionary office stamp. The M-2 is a combination phrase and date stamp. A turn of the selector key to the desired phrase will automatically place phrase in stamping position with the date. Date portion of stamp can also be used without accompanying phrase. Quality construction throughout and fully guaranteed!

Selector key prevents ink stained fingers!
